TITANS

What is Mage Titans?

Mage Titans is a series of conferences that take place across the Globe for the Magento Developer Community. Mage Titans Manchester is to be held at The Comedy Store on Saturday, November 11th 2017.

The conference is now in its fourth year and is going from strength to strength.

Why Mage Titans Manchester?

Mage Titans is a partnership between the Magento Developer Community and Manchester Digital, the independent trade association for digital businesses in the North West.

The content for Mage Titan's has been designed by Magento developers and it is the only solely developer focused conference in the UK. The aim of the conference is to offer affordable access to the world's biggest and best thought leaders and innovators and offer a space for Magento developers to network and knowledge share with their peers.
